“ Alvina was my aunt. She was like a Mom to me. My children have wonderful memories of her. She made them Easter dresses, flower girl dresses, helped them on 4h projects. Most important told them and me how proud and how much she loved us. She was an energetic loving woman. I will miss her grabbing my hand and winking at me. Listening to her and her kids talk about how much she was in her grand and great children's life makes me want to step it up and be Grandma just like her (minus the sewing, I didn't get that talent). She will always be in my heart. She is dancing in heaven with my Mom and my sister. Love you Aunt Alvina...
