“ So sorry for your loss Patsy and to your family as well. When I read the Obituary my heart just filled with sadness. Ed loved life he had a great sense of humor and he love people. He was the type of person that you felt like when you first meet him you all ready felt like you had known him for ever. When Patsy and Ed got married you could tell they were so much in love and it would be forever. Patsy I wish I could have been there for you but I know that you had a lot of loved ones with you. Love all ways your friend Steven Moore.
