“ Jackie I loved your Mom and enjoyed working with her for years at Naval Hospital in Pensacola. She was my lunch partner and we shared a lot of laughs. I will always remember how much she loved her kids and hoped for the best for them. My prayers are with you all.

“ My thoughts and prayers are with you Jackie. I loved Elsie so much and always enjoy visiting with her when she came to the Villa. She was such a beautiful woman inside and outside and would do anything for anyone. I remember the times she came to visit my mom when she was so sick. I will always remember her and you.
Prayers for you Jackie

“ My condolences to the family. The loss of a loved one is never easy. May you be strengthened by our loving God. In a time such as this the best friend a person can have is our Creator, Jehovah God. 1 Peter 5:7 tells us to pour out our heart to him in prayer "because he cares for you." Moreover, he promises that all who do so will have their thoughts and feeling soothed by "the peace of God that surpasses all understanding." (Philippians 4:6, 7) Also allow God to help you heal by means of his consoling Word the Bible. May all the many wonderful memories that Elsie your loved one provided comfort you during this most difficult time.
