“ Grandma you will be greatly missed. Your generous heart was an example to us all on how to live a full life guided by God's grace.

“ Mary Kay, We all worked at the Top Notch so many years ago. Your Mom was a good, good woman. She had to make decisions alone for all of you after her husband died. Life could not have been easy. I know she prayed to God to help her everyday. She lived a long time. God's Blessings to her family. I just know she is in heaven.
