“ Please accept our sincere sympathy in the loss of your mother/grandmother. We square danced with your mom and dad for many years at the Harold's Squares club in Columbus of which we have many happy memories. May God comfort you at this time and hold you close in his loving arms.

“ Hrouda Family

As a friend of Mark's I had plenty of opportunities to tag along and spend some time in Schuyler with your parents. One of the things that I will always remember about your Mother was her love of gardening and her home grown tomatoes. I will never forget an afternoon visit where your mother invited me to have lunch with them. She made a plate of tomato and cheese sandwiches and was so proud of her crop she must have cut them into ½ inch slices. I am not normally a fresh tomato person but the pride your mother had and the anticipation of how I would enjoy her prized crop convinced me to have two sandwiches that day.

I always enjoyed spending time with both of your parents and appreciated how your mother always made both Drew and I feel welcome when we tagged along with Mark and the girls. I am very sorry for you loss and my thoughts will be with you and your

family.
