Terry Pospisil, 67, of Schuyler passed away Wednesday, March 18, at his home.

Terry Lee Pospisil was born on June 28, 1952 near Fremont to Vladmir (Pete) and Rose (Navrkal) Pospisil. Terry was a strong-willed man, filled to the brim with happiness and his gift to the world would be to continue to spread and share his joys with all those around him. His grand, burly stature along with his unlimited kindness has led many of his countless friends to call him the "Gentle Giant". In May of 1975, Terry married the love of his life, Sandy Zuerlein, and the couple made their home in Schuyler, where they were able to raise their three children, who would go on to give Terry many loving grandchildren. His iconic, contagious laughter could be heard throughout the entire household making home never feel any less than perfectly content.

As his health began to deteriorate the past few years, Terry claimed it was the enticing power of love from his family and friends that helped him through his worst times. Now that he has been freed of any hardship, he made sure to leave behind his hearty laughter, loving eyes, and beautifully warm personality as a multitude of memories to be shared by his family. Terry, the Gentle Giant, Teddy Bear, Bigfoot, or Pos, however you may know him, know that being able to spread his happiness allowed him to live the full and satisfying life he desired.

Terry is survived by his wife of 44 years Sandra, three children Joshua Pospisil of Lincoln, Jennifer (Pancho) Hernandez, and Julia (Tapa) Galvan both of Schuyler; 10 grandchildren; and 1 great-grandchild, four siblings, and many dear friends.

Terry is preceded in death by his parents, sister Patricia (Zimmerman) Pospisil.

“ I recall many years ago when Pos was working for the sanitation company.To pick up extra money he would volunteer to do the state lakes early Sunday morning and often friends would go along and help him out.One Sunday it was Pos,I believe Curtis and myself.We were all pretty much hungover and when Pos ran the compactor after one particular load we all cracked up as a big old carp head with it's eyes bulging was staring back at us.As smelly and disgusting as picking up the lakes

was it was always fun to go along and help him out. I mean really, who other than him could talk someone into doing something so disgusting on a Sunday morning....Tuck

“ My condolences to the Pospisil family. My thoughts and prayers are with you at this hard time. The COVID -19 does not make this any easier on any of you. I remember growing up with Jen and spending many night and weekends after I moved over at your house and Terry and Sandy always made me feel like part of the family. Terry had this contagious laugh that I will never forget and I will always remember Juli sitting on her Daddy's lap with a huge smile on her face. Terry you will be missed by many.

“ A good man and a good friend. I have many fond memories of Pos. Always quick with a joke or a good natured ribbing, he will be sorely missed. My condolences to Sandy and the family. I wish the circumstances were different, and we could all share these stories in person. Rest easy, my friend. Paul (The Weasel) Mausbach

“ “Hey hey Daddy-O”....is how I remember “Pos” walking into a room. Terry was a friend of my families for years, for as long as I can remember when we came to Schuyler. I will miss him and his barrel laugh when you got him going. I admit we have not kept in contact over

the past how many years but that doesn't take away my memories of him and the gang sitting around having some drinks and good times. My condolences to the Pospisil family.
